

Press Release 15.12.2020

A-Yachts

The new Generation of Daysailers

After the proven a33 and the new a27, A-Yachts will present first drawings of the a39 as the new flagship of the A-Yachts series at the BOOT 2020 in Düsseldorf.

A-Yachts presents a new category of sailing boats that will set the trend for the next generation of daysailers. Our luxury-yachts are not only designed for relaxing daytrips but are also fast enough to win the Friday afternoon club-regatta thanks to their excellent handling and exceptional built quality. The perfect boat for your lake or coastal waters.

The Italian layout of the running rigging, the sail plan and the clean lines of the hull clearly demonstrate this is a well-thought-out boat. Convenient handling and outstanding sailing performance come courtesy of the Italian styling which is complemented by the use of the best construction materials.

In addition to the proven a33, at the BOOT 2019 A-Yachts has presented the new a27 as a world premiere. In summer 2019 the leading sailing magazines took the a27 for test sailings and published excellent test reports. The largest sailing magazine in Europe, the German based YACHT, the Austrian YACHTREVUE, the Slovenian ValNavtika and the Swiss SKIPPER confirmed in their reports the excellent construction quality, the excellent sailing characteristics as well as the astonishing speed with optimal one-hand handling at the same time.

As the logical development of the proven a33 and ingenious a27 A-Yachts will present drawings of the new a39 as the new flagship on the BOOT 2020.

At the BOOT 2020 renderings and simulations of the new a39 can be seen and discussed with the designer and the a27 will be presented at booth 17C69 in Hall 17 from 18.-26.1.2020. A-Yachts dealers and representatives from Germany, Switzerland, Hungary, Slovenia and Croatia will be present at the booth to service prospective buyers.

A-Yachts will present the new a27 and the a33 on the Budapest Boat Show from 27.2.-1.3.2020 and the a27 on the Austrian Boat Show in Tulln from 5.-8.3.2020.

Your personal test-drive with the a27 and a33 will be possible on the Lake Attersee (40km from Salzburg) from April 2020 onwards.
